"not" - 107

2. The second part of the paper is devoted to the study of the asymptotic behavior of the solutions of the system (1) as $\epsilon \rightarrow 0$. It is shown that the solutions of the system (1) converge to the solutions of the system (2) as $\epsilon \rightarrow 0$. The asymptotic expansion of the solutions of the system (1) is obtained. The asymptotic expansion of the solutions of the system (1) is obtained in the form of a series in powers of ϵ . The asymptotic expansion of the solutions of the system (1) is obtained in the form of a series in powers of ϵ .
